FEEDBACK TO THE FULFILMENT OF CONDITIONS IN THE ACCREDITATION PROCESS "CLUSTER SOCIOLOGY AND COMMUNICATION"

Dear Professor Zaman,

Universitas Sebelas Maret handed in the document to give evidence on the fulfilment of conditions in the above-mentioned accreditation procedure. The experts assessed the documents and gave us feedback on it. Our Standing Commission has decided in the circulation procedure of 4 April 2025 that the conditions for the study programmes "**Communication Science**" (Bachelor of Arts) and "**Sociology**" (Bachelor of Arts) have been fulfilled.

The following recommendations are given to the university with regard to the further development of the study programmes:

The Standing Commission commends the actions taken by Universitas Sebelas Maret to ensure the teaching quality of courses and to address the personnel gap. To ensure a long-term guarantee of the measures taken, the university should continue to develop a strategic plan for the next five years that includes a general approach to the absence of lecturers pursuing a PhD degree.

If you have any further questions, please do not hesitate to contact us.

Yours sincerely

Annette Büning

-Project Assistant International-
